3. Receive and File a Report on Classification, Compensation and Benefit Study.

Koff and Associates provided an update to the Board on the progress of the study and next steps. Vice Chair Mekechuk commented that the analysis is extensive given the size of our organization and size of the comparator agencies, and noted that there may be an easier solution. Additionally, Board Member Kumar commented that he believed that the Authority could not support a model that provided pension and benefits to its employees and suggested evaluating use of contractors to meet staffing needs and address turnover. Chair Resnikoff commented that options and fiscal impact from study findings will be informative, but would also like to see any analysis about staff turnover when the item returns to the Board.

Upon a motion by Board Member Kumar, seconded by Board Member Badame, the Board unanimously approved to receive and file the report on the classification, compensation, and benefit study.
